# Celebrate at K+K CENTRAL

Celebrate the festive season in the heart of Prague at K+K Hotel Central. Nestled within one of the city's most beautiful historic buildings, our Art Nouveau hotel provides an elegant setting for Christmas celebrations of every kind.

Enjoy authentic Czech festive cuisine, served as a Christmas buffet, set menu, or elegant finger food selection.

Let us take care of every detail while you and your guests enjoy a memorable festive occasion in a unique historical setting.

The background image shows a restaurant interior. Several round tables are covered with white tablecloths and are set with white plates, folded white napkins, glassware, and bottles of water. Purple upholstered chairs are arranged around the tables. The floor is covered with a carpet featuring a multi-colored striped pattern. In the background, there is a staircase with a blue carpet and dark wood railings, and large windows with dark curtains. The lighting is warm and ambient.
